Julie,

On behalf of Atlantic Richfield, Amec Foster Wheeler is submitting the *Site Characterization Report, Leviathan Mine Site, Alpine County, California*. The Site Characterization Report summarizes the site characterization components of the Remedial Investigation performed at Leviathan Mine, which consists of 12 different medium- or study area-specific investigations. The scope and results of these investigations are described in detail in Technical Data Summary Reports that are provided as the following appendices to the Site Characterization Report:

- [REDACTED] Appendix A Surface Water and Acid Drainage Technical Data Summary Report
- [REDACTED] Appendix B Groundwater Technical Data Summary Report
- [REDACTED] Appendix C Water Budget Technical Data Summary Report
- [REDACTED] Appendix D Mine Waste Technical Data Summary Report
- [REDACTED] Appendix E Stream Sediment Technical Data Summary Report
- [REDACTED] Appendix F Floodplain Soil Technical Data Summary Report
- [REDACTED] Appendix G Plant-Soil Bioaccumulation Technical Data Summary Report
- [REDACTED] Appendix H Fish Technical Data Summary Report

- Appendix I River Ranch Technical Data Summary Report
- Appendix J Leviathan Mine Road and Ore Piles Technical Data Summary Report
- Appendix K East Fork Carson River Technical Data Summary Report

The Site Characterization Report and associated appendices are available for immediate download on the Leviathan Mine SharePoint Site via the hyperlinks provided in this email. In addition, hardcopies will follow.

This notification is to inform you of folders/documents stored on this [site](#). Click here to directly access the [folder](#) where these folders/documents are stored. Click on the links below to access each folder/document individually:

Title Folder/File
Site Characterization Report

Because of the extremely large size of this report, we will be distributing electronic copies on DVD to everyone so that they do not have to rely on downloading the documents from the SharePoint Site.

If you have any questions, please contact Tony Brown at (657) 529-4537 or anthony.brown@bp.com.

Thanks,

Marc
